

CLAY X PRESS

Automatic Clay Bricks Making Production Lines

Advantages with Automatic Clay Bricks Making Machinery

- Less Labor and more Out Put
- Can work 24 hours and 365 days
- Latest Technology & Easy Operation
- Light Weight & Standard Bricks
- All Machines work with Electricity
- Machines Available 2000-24000 p/h

These Single/Double Stage Vacuum extruders are used to produce solid bricks and hollow bricks with great quantities of holes and large section in all size of hole style. It is applicable to many sorts of materials. Its features are novel structure, advanced technology, high extrusive pressure, high production and high vacuum degree. It adopts pneumatic clutch to control. It is sensitive, convenient and reliable.

Models & Speed of Automatic Clay Bricks Making Machinery

Clay Brick Production Line with Single Stage Vacuum Extruders				
No.	Machine Model	Power Required	Clay Brick Size	Speed per Hour
1	Clay Express 300 SS	142 kw	9" x 4" x 3"	4000 to 6000
2	Clay Express 350 SS	163 kw	9" x 4" x 3"	7000 to 9000
3	Clay Express 400 SS	184 kw	9" x 4" x 3"	8000 to 11000
4	Clay Express 450 SS	211 kw	9" x 4" x 3"	11000 to 13000
5	Clay Express 500 SS	233 kw	9" x 4" x 3"	13000 to 15000
Clay Brick Production Line with Double Grade Vacuum Extruders				
1	Clay Express 350 DG	180 kw	9" x 4" x 3"	7000 to 9000
2	Clay Express 400 DG	235 kw	9" x 4" x 3"	8000 to 11000
3	Clay Express 450 DG	256 kw	9" x 4" x 3"	11000 to 13000
4	Clay Express 500 DG	288 kw	9" x 4" x 3"	13000 to 15000
5	Clay Express 600 DG	310 kw	9" x 4" x 3"	18000 to 24000

CLAY BRICK MACHINERY PRODUCTION LINE

Raw Material Processing Machinery:

Box Feeder

Roller Crusher

Double Shaft Mixer

Conveyor Belt

Brick Forming Machinery:

Efficient & Compact Single Stage Vacuum Extruder

Double Grade Vacuum Extruder

Vacuum Pump

Air Compressor

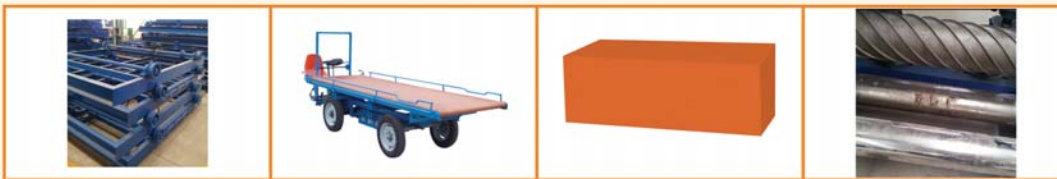

Auto Green Brick Cutter

Unloading Billet Machine

Recycle Belt Conveyor (waste brick return to mixer)

Adobe Separating Conveyor Machine

Optional Machinery:

Auto Green Brick Cart Loading Machine

Electric Green Brick Cart

De-ironing Separator

Logo on Rod with Auto Brick Cutting Machine

Logo Machine With Auto Brick Cutting Machine

Electrical Control Panel

Electrical Control Panel

Automatic Clay Brick Stacking Machine

To Fire Clay Bricks We Offer 2 Types of Kilns

Tunnel Kiln

Hoffman Kiln

Hoffman Kiln Door
