

RICE BAG X PRESS

Nonwoven Rice Bag Making Machine

Use: This machine applies for Nonwoven Fabric. It is high automatic machine to produce Rice Bags, Seed Bags, Fertilizer Bags etc.

Specifications & Features

This machine has photo-eye make printed bags. It is equipped with Auto-Counter, Screen Touch, PLC Computer Controller & Servo Motor Driver, which can control bag length and cutting correctly, There is Sewing Attachment for sealing sides & bottom of bags to economize manpower.

Special Note:
This Machine comes with
Nonwoven Fabric Bag
D Cut attachment

Technical Specifications

Model	1200x800
Max. Dia. of Material	1000mm
Max. Material Width	1600mm
Max. Width of Bag	400-800mm
Sealing & Cutting Length	500-1200mm
Sealing & Cutting Precision	± 4mm
Width of Bottom Sealing	15-30mm
Speed	20-35/min
Weight	3500 kg
Overall Dimensions	7100x4600x1200mm
Power	13.5 kw

Automatic Rice Bag Sewing (Stitching) and Cutting Machine

Main Components of the Nonwoven Rice Bag Making Machine

No.	Name	Qty	Origin
1	Touch screen	1pcs	Software from Taiwan
2	Servo Motor	2sets	1.5kw Panasonic Japa
3	Servo Motor	1set	0.75kw Panasonic from Japan
4	PLC	1set	Panasonic from Japan
5	Inverter	2pcs	1.5 kw Panasonic from Japan
6	Inverter	2pcs	0.75 kw Panasonic from Japan
7	Coder	1	2000 from Japan
8	Electrical Switch		Schneider brand form Germany
9	Approach Switch	5	Omron form Japan
10	Photo-eye Switch	2	Omron form Japan
11	Main Photo-eye	1	Sick from Germany
12	Photo-eye of unwinding EPC	1	Made in China
13	EPC controller of unwinding	1	Made in China
14	EPC Motor	1	Made in China
15	AC Motor	2	1.5kw Made in Shanghai
16	AC Motor	2	0.75kw Made in Shanghai
17	DC Motor	2	0.3kw from Anhui
18	Delivery Belt	1set	Imported from Switzerland
19	Stitching Machine	1pcs	DN-2HS from Japan
20	Stitching Machine	1pcs	DN-2HS from Japan
21	Cutting knife of main Machine	1set	Best materials of high wear resistant
22	Knife for Cutting Rope	1set	High wear resistant
23	Rubber Rollers	1set	Imported high wear resistant
24	Bearing		Made in China/Imported
25	Air Shaft	1	Made in China
26	Pneumatic Element		Yadeka from Taiwan
27	Driving Cylinders		Aluminum
28	Feeding Motor Part	1	0.6kw DC Motor
